GUIDELINES FOR APPLICANTS SPECIAL USE PERMIT

1. To be considered, request for a Special Use Permit must be received, including all attachments, in the Code Enforcement Office ten (10) working days before the date of the Planning Board's meeting. The attached checklist is a guide of information required. If you have any questions please contact the Code Office. The date of the meeting may be ascertained from the Code Enforcement Office.
2. The Code Enforcement Officer will determine if the application is complete, prior to the meeting and the applicant will be advised of any deficiencies.
3. The applicant or an authorized representative must attend the meeting to discuss this application, to answer questions and possibly to arrange to meet with a Planning Board committee for a site visit. If there is no representative present, the Planning Board may decide to table the request.
4. If complete with all information requested, the application will be considered accepted on the date of Planning Board's meeting. The date of the meeting may be ascertained from the Code Enforcement Office.
5. The Planning Board will hold a public hearing within 45 days from the date the application is accepted as complete. The applicant is strongly advised to attend the public hearing.
6. Action on the SEQR (State Environmental Quality Review) process must be taken by the Planning Board prior to any action taken on the application itself. This will normally be done immediately after the public hearing. A completed Part 1 of the EAF must accompany this form to allow completion of the SEQR process.
7. After the public hearing and completion of the SEQR process, approval or denial of the Special Use Permit will be determined by a motion voted on by the Planning Board with a majority of the full Board required to carry the motion. When action is taken, the Chairman (or Chairwomen) will sign approving or denying application.
8. If the action is denied, the applicant may reapply using a new form at the next month's meeting. It is strongly suggested that the applicant address any concerns of the Planning Board, especially if these concerns led to denial of the Permit.
9. Special Use Permits must meet criteria found in the Town Code, Article XXI, §103-96. The applicant is advised to clearly establish that the Special Use Permit requested would meet these criteria.
10. Special Use Permits are generally issued for a period of time which may be as little as a month (in extreme cases) to as long as indefinite period, subject to revocation for just cause under §103-97 of the Town Code. Prior to the expiration of the Special Use Permit, the applicant must reapply.
11. Special Use Permits may be issued by the Planning Board with conditions which must be met during the term of the Permit or prior to effective date of the Permit. If prior conditions are not met, the Special Use Permit is not valid. If, during the term of the Special Use Permit, the Permit holder is no longer complying with conditions, the Permit is subject to revocation according procedures set forth in §103-97 of the Town Code.
