Good morning!

Congratulations to the Town of Oneonta on your Community Project Funding (CPF) grant award! HUD has increased staffing support to expedite the processing of CPF grants with the hope that grantees like yourself can access your funds more quickly. I am contacting you because I have been assigned to assist with the following CPF grant package:

CPF Grant #: B-24-CP-NY-1649

CPF Grantee Name: Town of Oneonta

CPF Project: Oneonta West Main Street Water & Sewer Extension Project

I see that you have not yet started your grant package in the DRGR system. **As your newly assigned point person for this grant, I am checking in to see if you need any assistance with completing your grant package or if you have any questions/concerns that I can help to address.**

I have attached the FY 2024 CPF grant guide to this email for your reference.

Please feel free to contact me via email or phone call at 716-646-7053. I look forward to helping you move forward with your grant award!

Sincerely,

Abby Hughes

Subject: Update

Hi Brett –

I received confirmation from our Congressional Grants Division that HUD would be able to process a technical change to your grant if a revised project description is approved by congress. **HUD's Office of Congressional and Intergovernmental Relations is going to be relaying this to Schumer's office directly.**

Let me know if you have any questions!
