

STR Ad hoc Committee Meeting Notes 24 August 2026

Facilitator/Planner Diane Carlton finished reading through the Existing Definitions to be Redefined in the Zoning Ordinance with the committee, requesting any additional input from committee members. The committee decided the document is ready for a final look by the Town Attorney. The Town Attorney had advised utilizing a lottery system (rather than a waiting list) as the preferable and the simplest way to handle new STR applications when we fall under the CAP.

Diane Carlton's expertise and commitment to this endeavor on behalf of the Town of Oneonta is greatly appreciated! Our next meeting is Sept 1 when we will review any further input on the document from the attorney. Then we can bring the legislation to the Town Board and post our document on the Town website for a Public Hearing.

Trish Riddell Kent,

Chair and Deputy Supervisor
