Repeal and replace ethics code with version proposed by Ethics Committee (without additional disclosure form).

**TOWN OF ONEONTA LOCAL LAW NO. 4 OF THE YEAR 2026**

**A LOCAL LAW REPEALING AND REPLACING CHAPTER 31 OF THE TOWN CODE ENTITLED "ETHICS, CODE OF"**

Be it enacted by the Town Board of the Town of Oneonta as follows:

Section 1. Chapter 31 of the Town Code entitled "Ethics, Code of" shall hereby be repealed and replaced with the following:

**§ 31-1 Purpose.**

Officers and employees of the Town of Oneonta hold their positions to serve and benefit the public, and not for obtaining unwarranted personal or private gain in the exercise and performance of their official powers and duties. The Town Board recognizes that, in furtherance of this fundamental principle, there is a need for clear and reasonable standards of ethical conduct. This code of ethics establishes those standards.

**§ 31-2 Definitions.**

**BOARD**

The governing board of a municipality and any municipal administrative board (e.g. planning board, zoning of board of appeals), commission, or other agency or body comprised of two or more municipal officers or employees.

**CODE**

This code of ethics.

**INTEREST**

A direct or indirect financial or material benefit; but does not include any benefit arising from the provision or receipt of any services generally available to the residents or taxpayers of the municipality or an area of the municipality, or a lawful class of such residents or taxpayers. A municipal officer or employee is deemed to have an interest in any private organization when he or she, his or her spouse, or a member of his or her household, is an owner, partner, member, director, officer, employee, or directly or indirectly owns or controls more than 5% of the organization's outstanding stock.

MUNICIPALITY

Town of Oneonta.

MUNICIPAL OFFICER OR EMPLOYEE

A paid or unpaid officer or employee of the Town of Oneonta, including, but not limited to, the members of any municipal board.

RELATIVE

A spouse, parent, step-parent, sibling, step-sibling, sibling's spouse, child, step-child, uncle, aunt, nephew, niece, first cousin, or household member of a municipal officer or employee, and individuals having any of these relationships to the spouse of the officer or employee.

**§ 31-3 Applicability.**

This code of ethics applies to the officers and employees of the Town of Oneonta and shall supersede any prior municipal code of ethics. The provisions of this code of ethics shall apply in addition to all applicable State and local laws relating to conflicts of interest and ethics including, but not limited to, article 18 of the General Municipal Law and all rules, regulations, policies and procedures of the Town of Oneonta.

**§ 31-4 Prohibition on use of municipal position for personal or private gain.**

No municipal officer or employee shall use his or her municipal position or official powers and duties to secure a financial or material benefit for himself or herself, a relative, or any private organization in which he or she is deemed to have an interest.

**§ 31-5 Disclosure of interest in legislation and other matters.**

- A. Whenever a matter requiring the exercise of discretion comes before a municipal officer or employee, either individually or as a member of a board, and disposition of the matter could result in a direct or indirect financial or material benefit to himself or herself, a relative, or any private organization in which he or she is deemed to have an interest, the municipal officer or employee shall disclose in writing the nature of the interest.
- B. The disclosure shall be made when the matter requiring disclosure first comes before the municipal officer or employee, or when the municipal officer or employee first acquires knowledge of the interest requiring disclosure, whichever is earlier.
- C. In the case of a person serving in an elective office, the disclosure shall be filed with the governing board of the municipality. In all other cases, the disclosure shall be filed with the person's supervisor or, if the person does not have a supervisor, the disclosure shall be filed with the municipal officer, employee or board having the power to appoint to the person's position.

In addition, in the case of a person serving on a municipal board, a copy of the disclosure shall be filed with the board. Any disclosure made to a board shall be made publicly at a meeting of the board and must be included in the minutes of the meeting.

**§ 31-6 Recusal and abstention.**

- A. No municipal officer or employee may participate in any decision or take any official action with respect to any matter requiring the exercise of discretion, including discussing the matter and voting on it, when he or she knows or has reason to know that the action could confer a direct or indirect financial or material benefit on himself or herself, a relative, or any private organization in which he or she is deemed to have an interest.
- B. In the event that this section prohibits a municipal officer or employee from exercising or performing a power or duty:

- (1) if the power or duty is vested in a municipal officer as a member of a board, then the power or duty shall be exercised or performed by the other members of the board; or
- (2) if the power or duty that is vested in a municipal officer individually, then the power or duty shall be exercised or performed by his or her deputy or, if the officer does not have a deputy, the power or duty shall be performed by another person to whom the officer may lawfully delegate the function.
- (3) if the power or duty is vested in a municipal employee, he or she must refer the matter to his or her immediate supervisor, and the immediate supervisor shall designate another person to exercise or perform the power or duty.

**§ 31-7 Prohibition inapplicable; disclosure, recusal and abstention not required.**

A. This code's prohibition on use of a municipal position (section 31-4), disclosure requirements (section 31-5), and requirements relating to recusal and abstention (section 31-6), shall not apply with respect to the following matters:

- (1) adoption of the municipality's annual budget;
- (2) any matter requiring the exercise of discretion that directly affects any of the following groups of people or a lawful class of such groups:
  - i. all municipal officers or employees;

  - iii. the general public; or
- (3) any matter that does not require the exercise of discretion.

- (1) which comes before a board when a majority of the board's total membership would otherwise be prohibited from acting by section 31-6 of this code;
- (2) which comes before a municipal officer when the officer would be prohibited from acting by section 31-6 of this code, and the matter cannot be lawfully delegated to another person.

**§ 31-8 Investments in conflict with official duties.**

A. No municipal officer or employee may acquire the following investments:

- (1) investments that can be reasonably expected to require more than sporadic recusal and abstention under section 31-6 of this code; or
- (2) investments that would otherwise impair the person's independence of judgment in the exercise or performance of his or her official powers and duties.

B. This section does not prohibit a municipal officer or employee from acquiring any other investments or the following assets:

- (1) real property located within the municipality and used as his or her personal residence;
- (2) less than five percent of the stock of a publicly traded corporation; or
- (3) bonds or notes issued by the municipality and acquired more than one year after the date on which the bonds or notes were originally issued.

**§ 31-9 Private employment in conflict with official duties.**

No municipal officer or employee, during his or her tenure as a municipal officer or employee, may engage in any private employment, including the rendition of any business, commercial, professional or other types of services, when the employment:

- A. can be reasonably expected to require more than sporadic recusal and abstention pursuant to section 31-6 of this code;

- C. violates section 805-a(1)(c) or (d) of the General Municipal Law; or
- D. requires representation of a person or organization other than the municipality in connection with litigation, negotiations or any other matter to which the municipality is a party.

**§ 31-10 Future employment.**

- A. No municipal officer or employee may ask for, pursue or accept a private post-government employment opportunity with any person or organization that has a matter requiring the exercise of discretion pending before the municipal officer or employee, either individually or as a member of a board, while the matter is pending or within the 30 days following final disposition of the matter.
- B. No municipal officer or employee, for the two-year period after serving as a municipal officer or employee, may represent or render services to a private person or organization in connection with any matter involving the exercise of discretion before the municipal office, board, department or comparable organizational unit for which he or she serves.
- C. No municipal officer or employee, at any time after serving as a municipal officer or employee, may represent or render services to a private person or organization in connection with any particular transaction in which he or she personally and substantially participated while serving as a municipal officer or employee.

**§ 31-11 Personal representations and claims permitted.**

This code shall not be construed as prohibiting a municipal officer or employee from:

- A. representing himself or herself, or his or her spouse or minor children before the municipality; or
- B. asserting a claim against the municipality on his or her own behalf, or on behalf of his or her spouse or minor children.

**§ 31-12 Use of municipal resources.**

- A. Municipal resources shall be used for lawful municipal purposes. Municipal resources include, but are not limited to, municipal personnel, and the municipality's money, vehicles, equipment, materials, supplies or other property.
- B. No municipal officer or employee may use or permit the use of municipal resources for personal or private purposes, but this provision shall not be construed as prohibiting:

- (1) any use of municipal resources authorized by law or municipal policy;
- (2) the use of municipal resources for personal or private purposes when provided to a municipal officer or employee as part of his or her compensation; or
- (3) the occasional and incidental use during the business day of municipal telephones and computers for necessary personal matters such as family care and changes in work schedule.
- (4) No municipal officer or employee shall cause the municipality to spend more than is reasonably necessary for transportation, meals or lodging in connection with official travel.

**§ 31-13 Interests in Contracts.**

- A. No municipal officer or employee may have an interest in a contract that is prohibited by section 801 of the General Municipal Law.
- B. Every municipal officer and employee shall disclose interests in contracts with the municipality at the time and in the manner required by section 803 of the General Municipal Law.

**§ 31-14 Nepotism.**

Except as otherwise required by law:

- A. No municipal officer or employee, either individually or as a member of a board, may participate in any decision specifically to appoint, hire, promote, discipline or discharge a relative for any position at, for or within the municipality or a municipal board.
- B. No municipal officer or employee may supervise a relative in the performance of the relative's official powers or duties.

**§ 31-15 Political Solicitations.**

- A. No municipal officer or employee shall directly or indirectly to compel or induce a subordinate municipal officer or employee to make, or promise to make, any political contribution, whether by gift of money, service or other thing of value.
- B. No municipal officer or employee may act or decline to act in relation to appointing, hiring or promoting, discharging, disciplining, or in any manner changing the official rank, status or compensation of any municipal officer or employee, or an applicant for a position as a municipal officer or employee, on the basis of the giving or withholding or neglecting to make any contribution of money or service or any other valuable thing for any political purpose.

**§ 31-16 Confidential Information.**

No municipal officer or employee who acquires confidential information in the course of exercising or performing his or her official powers or duties may disclose or use such information unless the disclosure or use is required by law or in the course of exercising or performing his or her official powers and duties.

**§ 31-17 Gifts.**

- A. (a) No municipal officer or employee shall solicit, accept or receive a gift in violation of section 805-a(1)(a) of the General Municipal Law as interpreted in this section.
- B. No municipal officer or employee may directly or indirectly solicit any gift.

- C. No municipal officer or employee may accept or receive any gift, or multiple gifts from the same donor, having an annual aggregate value of seventy-five dollars or more when:
  - (1) the gift reasonably appears to be intended to influence the officer or employee in the exercise or performance of his or her official powers or duties;
  - (2) the gift could reasonably be expected to influence the officer or employee in the exercise or performance of his or her official powers or duties; or
  - (3) the gift is intended as a reward for any official action on the part of the officer or employee.
  
- D. For purposes of this section, a “gift” includes anything of value, whether in the form of money, service, loan, travel, entertainment, hospitality, thing or promise, or in any other form. The value of a gift is the gift’s fair market value, determined by the retail cost of the item or a comparable item. The fair market value of a ticket entitling the holder to food, refreshments, entertainment, or any other benefit is the face value of the ticket, or the actual cost to the donor, whichever is greater. Determination of whether multiple gifts from a single donor exceed seventy-five dollars must be made by adding together the value of all gifts received from the donor by an officer or employee during the twelve-month period preceding the receipt of the most recent gift.
  
- E. (1) A gift to a municipal officer or employee is presumed to be intended to influence the exercise or performance of his or her official powers or duties when the gift is from a private person or organization that seeks municipal action involving the exercise of discretion by or with the participation of the officer or employee.
  
- (2) A gift to a municipal officer or employee is presumed to be intended as a reward for official action when the gift is from a private person or organization that has obtained municipal action involving the exercise of discretion by or with the participation of the officer or employee during the preceding twelve months.
  
- F. This section does not prohibit any other gift, including:
  - (1) gifts made to the municipality;
  - (2) gifts from a person with a family or personal relationship with the officer or employee when the circumstances make it clear that the personal relationship, rather than the recipient's status as a municipal officer or employee, is the primary motivating factor for the gift;
  - (3) gifts given on special occasions, such as marriage, illness, or retirement, which are modest, reasonable and customary;
  - (4) unsolicited advertising or promotional material of little intrinsic value, such as pens, pencils, note pads, and calendars;
  - (5) awards and plaques having a value of seventy-five dollars or less which are publicly presented in recognition of service as a municipal officer or employee, or other service to the community; or
  - (6) meals and refreshments provided when a municipal officer or employee is a speaker or participant at a job-related professional or educational conference or program, and the meals and refreshments are made available to all participants.

**§ 31-18 Board of Ethics.**

- A. There is hereby established a board of ethics for the municipality. The board of ethics shall consist of a minimum of three members, a majority of whom shall not be officers or employees of the municipality, but

at least one of whom must be a municipal officer or employee. The members of such board of ethics shall be appointed by the Town Board, serve at the pleasure of the appointing authority, and receive no salary or compensation for their services as members of the board of ethics.

- B. The board of ethics shall render advisory opinions to the officers and employees of the Town of Oneonta with respect to article 18 of the General Municipal Law and this code. Such advisory opinions must be rendered pursuant to the written request of any such officer or employee under such rules and regulations as the board of ethics may prescribe. The board of ethics shall have the advice of legal counsel employed by the board, or if none, the municipality's legal counsel. In addition, the board of ethics may make recommendations with respect to the drafting and adoption of a code of ethics, or amendments thereto, upon the request of the Town Board.

**§ 31-19 Posting and distribution.**

- A. The Town Supervisor must promptly cause a copy of this code, and a copy of any amendment to this code, to be posted publicly and conspicuously in each building under the municipality's control. The code must be posted within ten days following the date on which the code takes effect. Any amendment to the code must be posted within ten days following the date on which the amendment takes effect.
- B. The Town Supervisor must promptly cause a copy of this code, including any amendments to the code, to be distributed to every person who is or becomes an officer and employee of the Town of Oneonta.
- C. Every municipal officer or employee who receives a copy of this code or an amendment to the code must acknowledge such receipt in writing. Such acknowledgments must be filed with the Town Clerk who must maintain such acknowledgments as a public record.
- D. The failure to post this code or an amendment to the code does not affect either the applicability or enforceability of the code or the amendment. The failure of a municipal officer or employee to receive a copy of this code of ethics or an amendment to the code, or to acknowledge receipt thereof in writing, does not affect either the applicability or enforceability of the code or amendment to the code.

**§ 31-20 Enforcement.**

Any municipal officer or employee who violates this code may be censured, fined, suspended or removed from office or employment in the manner provided by law.

Section 2.           Remainder

Except as hereinabove amended, the remainder of the Town Code of the Town of Oneonta shall remain in full force and effect.

Section 3.           Separability

The provisions of this Local Law are separable and if any provision, clause, sentence, subsection, word or part thereof is held illegal, invalid, unconstitutional, or inapplicable to any person or circumstance, such illegality, invalidity or unconstitutionality, or inapplicability shall not affect or impair any of the remaining provisions, clauses, sentences, subsections, words, or parts of this local law or their application to other persons or circumstances. It is hereby declared to be the legislative intent that this local law would have been adopted if such illegal, invalid, or unconstitutional provision, clause, sentence, subsection, word or part had not been included therein, and as if such person or circumstance, to which the local law or part thereof is held inapplicable, had been specifically exempt therefrom.

Section 4.           Effective Date

This Local Law shall take effect immediately upon filing with the New York State Secretary of State in accordance with Section 27 of the Municipal Home Rule Law.

**RESOLUTION 2026 NO. 79**

**RESOLUTION OF THE TOWN BOARD OF THE TOWN OF ONEONTA, NEW YORK, DECLARING JUNE 2026 AS LGBTQ+ PRIDE MONTH**

**WHEREAS**, June 28, 2026, marks the 57th anniversary of the Stonewall uprising in New York City's Greenwich Village, when patrons of the Stonewall Inn resisted a police raid and ignited six days of protest that became a catalyst for the modern lesbian, gay, bisexual, transgender, queer, intersex, and asexual (LGBTQ+) civil rights movement, and the following year, on June 28, 1970, thousands marched from the Stonewall Inn to

Central Park in what became the nation's first Pride march, a tradition now observed in communities across the world each June; and

**WHEREAS**, New York State has led the nation in establishing legal protections for LGBTQ+ residents, including the Sexual Orientation Non-Discrimination Act (SONDA), enacted in 2002, which prohibits discrimination based on actual or perceived sexual orientation in employment, housing, public accommodations, education, credit, and the exercise of civil rights, and the Gender Expression Non-Discrimination Act (GENDA), enacted in 2019, which added gender identity and gender expression as protected categories under the state's Human Rights Law and hate crimes statutes; and

**WHEREAS**, New York State has continued to advance LGBTQ+ equality by legalizing marriage equality in 2011, four years before the United States Supreme Court's decision in Obergefell v. Hodges, by banning the practice of conversion therapy on minors in 2019, and by enacting safe haven protections for transgender youth and their families, establishing the state as a national leader in the defense of LGBTQ+ civil rights; and

**WHEREAS**, the Town of Oneonta is home to a vibrant LGBTQ+ community supported by dedicated local organizations, including the Otsego Pride Alliance, which organizes the annual Pridefest parade and celebration in Oneonta, and the Gender and Sexuality Resource Center at SUNY Oneonta, which provides education, advocacy, and support for LGBTQ+ students and the broader community; and

**WHEREAS**, as a community shaped in part by the students and families of SUNY Oneonta and Hartwick College, the Town of Oneonta recognizes that a welcoming town strengthens both campus life and community life, and that students who choose to study and live here deserve to know that Oneonta values them as they are; and

**WHEREAS**, despite significant legal progress, LGBTQ+ individuals continue to face discrimination, harassment, and violence at disproportionate rates, and LGBTQ+ young people are especially vulnerable, experiencing higher rates of bullying, depression, and suicidality than their peers, making it essential that local institutions and local government send a clear and unmistakable message that these young people are seen, supported, and safe in their own community; and

**WHEREAS**, LGBTQ+ Americans are experiencing a period of significant uncertainty as federal civil rights protections, public health resources, and recognition of LGBTQ+ identities in federal data and public institutions have been reduced or withdrawn, underscoring the critical role that state law and local government play in affirming the rights and dignity of all residents; and

**WHEREAS**, New York State law, including SONDA and GENDA, continues to provide robust protections against discrimination based on sexual orientation, gender identity, and gender expression, and the Town of Oneonta recognizes its responsibility to uphold the spirit of those protections at the local level; and

**WHEREAS**, this resolution marks the first time the Town Board of the Town of Oneonta has formally recognized LGBTQ+ Pride Month; and

**WHEREAS**, the Town Board adopts this resolution with the conviction that our community is made stronger when every resident can live openly, equally, and with a full sense of belonging;

**NOW, THEREFORE, BE IT RESOLVED**, that the Town Board of the Town of Oneonta hereby declares the month of June 2026 as LGBTQ+ Pride Month in the Town of Oneonta and affirms its support for LGBTQ+ residents and the protection of their civil rights under the laws of New York State; and be it further

**RESOLVED**, that the Town Board commends the work of the Otsego Pride Alliance, the Gender and Sexuality Resource Center at SUNY Oneonta, and all community organizations working to make the Town of Oneonta a more inclusive and welcoming place for LGBTQ+ individuals and their families; and be it further

**RESOLVED**, that the Town Clerk is hereby directed to post this resolution publicly at Oneonta Town Hall and on the official Town of Oneonta website, and to transmit copies of this resolution to the Otsego Pride Alliance, the Gender and Sexuality Resource Center at SUNY Oneonta, and Hartwick College; and be it further

**RESOLVED**, that the Town Board encourages all residents, businesses, civic organizations, and community institutions to join in recognizing Pride Month and to treat all members of our community with the dignity, respect, and belonging they deserve, during this month and every month.

**This resolution shall take effect immediately upon adoption.**

RESOLUTION 2026-0083 (08:47) Motion by BH; seconded by PRK;

**A LOCAL LAW AFFECTING A TEMPORARY MORATORIUM ON THE DEVELOPMENT, CONSTRUCTION, AND OPERATION OF DATA CENTERS AND COMMERCIAL CRYPTOCURRENCY MINING OPERATIONS WITHIN THE TOWN OF ONEONTA**

Be it enacted by the Town Board of the Town of Oneonta as follows:

Section 1. TITLE

This Local Law shall be known as the "Moratorium on the Development, Construction, and Operation of Data Centers and Commercial Cryptocurrency Mining Operations."

Section 2. AUTHORITY AND INTENT; FINDINGS; PURPOSE

**A.** Authority and Intent.

This Local Law is intended to be consistent with and is adopted pursuant to the authority granted to the Town Board of the Town of Oneonta under the New York State Constitution and the Laws of the State of New York, including but not limited to the following authorities: New York State Constitution Article IX, § 2 (c); Municipal Home Rule Law §§ 10 and 20 through 27; Statute of Local Governments § 10; New York State Town Law; and the State Environmental Quality Review Act and its implementing regulations.

This Law is a land use regulation, which is intended to act as and is hereby declared to exercise the permissive "incidental control" of zoning and land use law that is concerned with the broad area of land use planning and the physical uses of land within the Town.

**B.** Findings.

The Town Board hereby finds that it is in the interest of public health, safety and welfare to address, in a careful and thorough manner, the activities prohibited by Section 4 of this Local Law. In order to accomplish this, the Town requires a reasonable period of time to further study the potential impacts and

effects on land, the environment and the public in general caused by such activities, and to consider possible amendments to the Town's laws to address the same.

**C. Purpose.**

The purpose of the Local Law is to enable the Town of Oneonta to stay the construction, operation, and establishment of, and the submission and processing of applications for permits, zoning permits, special permits, zoning variances, building permits, operating permits, site plan approvals, subdivision approvals, certificates of occupancy, certificates of compliance, temporary certificates, and other Town-level land use approvals respecting the activities prohibited by Section 4 of this Local Law, for a reasonable time, so as to allow the Town time to study the potential impacts, effects, and possible controls over such activities and to consider possible amendments to the Town's laws and/or comprehensive plan to address the same. The Town Board finds that a moratorium of one (1) year duration, coupled with an "unnecessary hardship" variance procedure and a provision for the "grandfathering" of legal, pre-existing non-conforming uses, will achieve an appropriate balance of interests between (i) the need to safeguard public health, safety and welfare, as well as the character and other resources of the Town of Oneonta; and (ii) the rights of individual property owners.

Section 3. DEFINITIONS

For purposes of this Local Law, the following terms shall have the meanings respectively set forth below: COMMERCIAL CRYPTOCURRENCY MINING -- The commercial process by which cryptocurrency transactions are verified and added to the public ledger, known as the block chain, and also the means through which new units of cryptocurrencies are released, through the use of Data Centers employing data processing equipment.

CRYPTOCURRENCY --- A digital currency in which encryption techniques are used to regulate the generation of units of currency and verify the transfer of funds, operating independently of a central bank.

DATA CENTERS --- A facility that is primarily used for the storage, management, processing, and transmission of digital data, including but not limited to non-artificial intelligence workloads and artificial intelligence workload, and which houses computer or network equipment, systems, servers, appliances, and other associated components related to the digital data storage and processing as a principal land use on a parcel. Equipment and accessories customary to data centers including but not limited to air handlers, power generators, water cooling and storage facilities, utility substations, and other associated utility infrastructure shall also be considered part of a data center. Data centers operating solely for the following purposes shall be exempt from this Local Law: (i) health and medical services operating pursuant to a municipal certificate of need; (ii) educational services for a municipality or a political subdivision; (iii) functions of government for a municipality or political subdivision.

PERSON --- Any individual, public or private corporation for profit or not for profit, association, partnership, limited liability company, limited liability partnership, firm, trust, estate, and any other legal entity whatsoever which is recognized by law as the subject of rights and duties.

TOWN --- The Town of Oneonta, Otsego County, New York.

TOWN BOARD --- The Town Board of the Town of Oneonta.

Section 4. MORATORIUM AND PROHIBITION

**A.** From and after the effective date of this Local Law, no application for a permit, zoning permit, special permit, zoning variance (except as contemplated by Section 7 of this Law), building permit, site plan approval, subdivision approval or any other Town-level approval shall be accepted, processed, approved, approved conditionally, or issued for the construction, establishment, use or operation upon any land, body of water, building or other structure located within the Town for a Data Center or a Commercial Cryptocurrency Mining operation.

**B.** From and after the effective date of this Local Law, no Person shall use, cause, or permit to be used, any land, body of water, building or other structure located within the Town for a Data Center or a Commercial Cryptocurrency Mining operation.

**C.** This moratorium and prohibition shall be in effect beginning on the effective date of this Local Law and shall expire on the earlier of (i) that date which is one (1) year after said effective date, or (ii) the effective date of a duly enacted repeal of this Local Law.

D. This moratorium and prohibition shall apply to all real property within the Town.

E. Under no circumstances shall the failure of the Town Board, the Town Planning Board or the Town Code Enforcement Officer to take any action upon any application for a permit, zoning permit, special permit, zoning variance, building permit, site plan approval, subdivision approval, or other Town-level approval constitute an approval by default or an approval by virtue of expiration of time to respond to such application.

Section 5. PENALTIES

A. Compliance Orders. The Code Enforcement Officer is authorized to order, in writing, the remedying of any condition or activity found to exist in violation of this Local Law. If the condition or activity is not remedied after the issuance of a compliance order, then an appearance ticket may be issued as provided hereinafter.

B. Appearance Tickets. The Code Enforcement Officer is authorized to issue appearance tickets for any violation of this Local Law. Any person who violates any provision of this Local Law shall be deemed guilty of a violation and, upon conviction thereof, shall be subject to a fine of not more than \$250 or to imprisonment for not more than 15 days, or both such fine and imprisonment. Each week's continued violation shall constitute a separate, additional violation.

C. Civil Penalty. In addition to those penalties prescribed herein, any person who violates any provision of this Local Law shall be liable to a civil penalty of not more than \$2,500 for each day or part thereof during which such violation continues. The civil penalties provided by this section shall be recoverable in a civil action instituted in the name of the Town of Oneonta.

D. Injunctive Relief. An action or proceeding may be instituted in the name of the Town of Oneonta, in a court of competent jurisdiction, to prevent, restrain, enjoin, correct, or abate any violation of, or to enforce, any provision of this Local Law. No action or proceeding described in this subdivision shall be commenced without the appropriate authorization from the Town Board.

E. Remedies Not Exclusive. No remedy or penalty specified in this section shall be the exclusive remedy or penalty available to address any violation of this Local Law. Any remedy or penalty specified in this section and/or any other remedy or penalty provided by law, may be pursued at any time, whether prior to, simultaneously with, or after the pursuit of any other remedy or penalty specified in this section. In addition to the above-provided remedies, the Town Board may also seek reimbursement to the Town for costs incurred by the Town in identifying and remedying each violation, including but not limited to, reasonable attorney's fees.

Section 6. GRANDFATHERING OF LEGAL, PRE-EXISTING NON-CONFORMING USE

Notwithstanding any provision hereof to the contrary, any Data Centers or Commercial Cryptocurrency Mining operations in the Town that have been duly approved as of the effective date of this Local Law, which are being operated in accordance with all applicable laws and regulations and in compliance with all valid permits required to be issued by the New York State Department of Environmental Conservation ("DEC") and all other federal, state and local regulating agencies, shall be considered a pre-existing, non-conforming use and shall be allowed to continue, subject, however, to the provisions of this Section. Any expansion of a lawful, pre-existing nonconforming use shall not be grandfathered under this Section, and instead shall in all respects be prohibited as contemplated by Section 4 hereof "Grandfathered" and lawful pre-existing uses neither have nor possess any right to expand such non-conforming use, whether above or below ground, and no such right shall be deemed, construed, or implied to exist.

Section 7. HARDSHIP USE VARIANCE

The Zoning Board of Appeals is hereby authorized to accept and review (after public notice and hearing and in accordance with the requirements of law and of this Local Law) requests for a hardship use variance from application of the provisions of this Local Law by any Person aggrieved hereby.

No such use variance shall be granted without a showing by the applicant that applicable regulations and restrictions have caused unnecessary hardship. In order to prove such unnecessary hardship the applicant shall demonstrate that for each and every permitted use under the zoning regulations for the particular district where the property is located: (i) the applicant cannot realize a reasonable return, provided that lack of return is substantial as demonstrated by competent financial evidence; (ii) that the alleged hardship relating to the property in question is unique, and does not apply to a substantial portion of the district or

neighborhood; (iii) that the requested use variance, if granted, will not alter the essential character of the neighborhood; and (iv) that the alleged hardship has not been self-created.

In the event a hardship use variance from the provisions of this Local Law is granted to the applicant, the applicant shall be required to comply with all provisions of the Town's then applicable land use laws and other laws and regulations. The Zoning Board, in the granting of a hardship use variance, shall grant the minimum variance that it shall deem necessary and adequate to address the unnecessary hardship proved by the applicant, and at the same time preserve and protect the character of the neighborhood and the health, safety and welfare of the community.

Section 8. SEVERABILITY

If any word, phrase, sentence, part, section, subsection, or other portion of this Local Law, or the application thereof to any person or to any circumstance, is adjudged or declared invalid or unenforceable by a court or other tribunal of competent jurisdiction, then, and in such event, such judgment or declaration shall be confined in its interpretation and operation only to the provision of this Local Law that is directly involved in the controversy in which such judgment or declaration is rendered, and such judgment or declaration of invalidity or unenforceability shall not affect or impair the validity or enforceability of the remainder of this Local Law or the application hereof to any other persons or circumstances. If necessary, as to such person or circumstances, such invalid or unenforceable provision shall be and be deemed severed here from, and the Town Board of the Town of Oneonta hereby declares that it would have enacted this Local Law, or the remainder thereof, even if, as to particular provisions and persons or circumstances, a portion hereof is severed or declared invalid or unenforceable.

Section 9. GENERAL PROVISIONS

**A.** The Code Enforcement Officer is hereby designated as the enforcement officer for purposes of interpreting and enforcing this Local Law.

**B.** The section and other headings and titles to clauses and phrases in this Local Law are for convenience only, and shall not be used or construed to limit or define the scope or application of the clauses and phrases so following such headings or titles. Each section of this Local Law, whether in the nature of a preamble or otherwise, is a material part of this Local Law.

Section 10. EFFECTIVE DATE

This Local Law shall take effect immediately upon filing with the New York Department of State in accordance with Section 27 of the Municipal Home Law.
