

Short Term Rental Committee Meeting Minutes March 16, 2026

Present were Core Committee Members: Diane Carlton, Facilitator, Teresa DeSantis, Reggie McGuinness, Jenny Koehn, and Trish Riddell Kent.

Attendees were: Melissa Jervis, Ann Marie Moody and Greg Harlem.

Application deadline was March 15th and the final applications were just received. In order for everyone to fully review, it was decided that core committee members will email their 5 new committee member selections to the chair. We will move forward with the new committee members by the end of the week examining the data that Diane will email to everyone.

We will invite former Cooperstown Mayor Jeff Katz to attend our April 2nd meeting. His village worked through this process and his input will be extremely helpful.

We will invite the Town Code Officer to attend on April 23rd.

As part of the process, we will need to come up with a definition for STR since it is not addressed in our Town Code.

Definitions are very important for legal reasons.

Respectfully submitted by, Trish Riddell Kent, Chair
