The Board discussed the Model Code of Ethics, which we obtained from the Comptroller's office. Dale Webster and Pat Jacob discussed this code briefly with the Town Attorney at the last town board meeting on March 11th and he felt this was a good choice for the Town. It is the recommendation of the Ethics Board that this Model Code of Ethics (copies of which were previously made available to board members) be adopted by the Town Board. The Ethics Board advises that this Model Code of Ethics be reviewed and signed by all Town employees yearly.

Ryan Periera, Town Clerk, will forward this code to the Legislative Committee for their review at their April meeting. Ryan will also place the Model Code of Ethics in the proper format specific to the Town of Oneonta and place it on the agenda for the next board meeting on April 8, 2026.

The Ethics Board will meet once yearly in January of each year and on an as needed basis.

Respectfully submitted  
Patricia Jacob
